

## Direct Primary Care

As a Direct Primary Care Practice, My PCP LLC does not bill insurance companies or Medicare for any services provided. This allows My PCP LLC :

- 1) To remove unnecessary costs and restraints
- 2) To dedicate our time and effort to what really matters... our patients
- 3) To offer unhurried visits
- 4) To truly foster the patient-physician relationship
- 5) To offer our patients enhanced access to medical care
  - a. Access to their physician's personal cell phone
  - b. HIPAA compliant texting access to their physician
  - c. HIPAA compliant email access to their physician
  - d. HIPAA compliant virtual access to their physician
