

Medicinal Marijuana Certification Exam Check List

Please bring the following with you to your exam:

- ✓ Your drivers license and or proof of Florida residency
- ✓ Completed New Patient intake form
- ✓ Medical Records
 - a. Records from your primary care doctor for the last year
 - b. Records from all specialists that you see for your qualifying condition for the last year.
 - c. All pertinent diagnostic studies relating to your qualifying condition
 - 1. Radiology study reports-I do NOT need the actual images, just the reports . This can be included in the notes from your treating physician or you can request the reports directly from the imaging center where the images were taken. If applicable to your qualifying diagnosis:
 - a. Xrays
 - b. MRI
 - c. CT
 - d. Ultrasound
 - e. Mammogram
 - f. PET scan
 - 2. All lab work for the last year-this may already be included in the notes from your physicians. If not you can typically obtain it from the lab that performed the tests. Labs like Quest and LabCorp offer applications for patients to access their labs via a portal.
 - 3. Colonoscopy reports if applicable for your diagnosis
 - d. Any records that provide support for your qualifying condition

*It is your responsibility to gather your medical records. If you do not have the medical records to support your qualifying condition, a certification cannot be issued.
